## **In Case You Missed It...**

### **Future School Calendars**

Due to construction, school is scheduled to begin one week later, come fall. Our schedule will return to normal the following school year. Please see our next year and tentative 2025-2026 calendars on [our website](#).

### **Working Together to Stop Bullying**

We take bullying seriously at Culver School. If you or your child suspect bullying, here are some ways to report it:

- Talk to a teacher: They can investigate and support your child.
- Report online: Use our anonymous reporting form on the [school website](#)
- Call the main office: Ask to speak with an administrator about bullying.

Remember, your child's well-being is our priority.

### **Measles Information for School Families**

Please see the letter [here](#) from Mrs. Morrissey, regarding measles.

### **Authors Coming to Culver!**

3rd grade will enjoy Michael Witwer's words of writing wisdom this spring, as well. You can read more about Michael's work [here](#). If your child would like a copy of Michael's book, please use [this pre order form](#).

Then, Rekha Rajan will present to K-2nd grade students with [this engaging book](#).

We will share book pre-order information soon. Looking forward to enhancing Culver's love of literacy through these author presentations.

### **Absence Reporting and Tardiness**

As a reminder, if you need to report a student absence, please call our attendance line at 847-966-9280 ext 1118. As a matter of safety, please notify the school of absences in advance of the school day. If a student is absent and we are not aware of the reason for the absence, our school nurse, Mrs. Morrissey, will be contacting the parent(s) and/or guardian(s).

Additionally, please make every attempt to have your child to school on time. Student late arrivals to the classroom are disruptive and delays the educational process. We appreciate your cooperation in this matter.

### **Kindergarten Registration for 2024-2025**

Registration for incoming kindergarten students begins on Thursday, February 1st. All students who will be 5 years old by September 1, 2024, are kindergarten students.

*If your child is currently enrolled in our preschool program, they are automatically enrolled for kindergarten. There is nothing you need to do at this time.*

- Beginning Thursday, Feb. 1st, contact the front office at 847-966-9280 and provide the following:
  - Child's name and date of birth
